

**Note about PSC Order:**

I put the proposed order here, but the actual order (during a minute entry from a status conference on 7/2/13) where the judge accepted the proposals wasn't available electronically. However, the following was in the docket description in that document:

Steering Committee: The Court has received lead counsel's proposals and has not received any objections or applications from other attorneys wishing to become a member of the Committee. The Court finds the proposed committee represents an excellent cross-section and approves the list of Committee members. This Court's next conference will be August 14, 2013 at 9:30 a.m. We will schedule conferences every six weeks or so over the next six months.
