

NuvaRing Claims Calculation, based on Doc. No. 1803, at 7:

Total Enrolled: 3,704

3,280 “approved for payment”

-803 approved for payment

includes 752 who’ve received payment

includes 51 who are working through the process

2477 remaining

of those 1131 claimants who submitted their paperwork, which needs to be reviewed

includes **753 that have been approved for payment**

and leaves 473 that are still in the claims review process

So, total approved for payment $(803+753) = 1556$

1556 out of 3,704 (total enrolled) had been approved for payment as of Sept. 9, 2015 (hearing transcript)
