ORDER FOR DISCLOSURE OF
GADOLINIUM TESTING
INFORMATION AND RESULTS

Following discussion and agreement between Special Master Cathy Yanni, counsel for the GEHC Defendants, and Attorneys Skikos, Crawford and Tisi, and to expedite case-specific discovery during the discovery period recently established in the Court's Amended Protocol issued on August 27, 2012, **IT IS HEREBY ORDERED THAT** plaintiffs must disclose the following information no later than 5:00 p.m. Eastern Time on October 1, 2012:

- (1) whether any witness tested any tissue of the plaintiff to determine whether it contains gadolinium;

- (2) the name of the person performing any such test, the facility at which the test was performed, and the dates on which the test was performed;
- (3) the test results, including whether the test was positive, negative, or inconclusive; and
- (4) slides or other specimens of the plaintiff.

IT IS SO ORDERED.
