**THIS DOCUMENT APPLIES TO “SETTLED CASES”* THAT HAVE NOT BEEN
DISMISSED**

The Court is engaged in winding down this MDL, which has been pending since 2008. To that end, the Court has reviewed the list of pending cases, prepared by the Plaintiffs’ Steering Committee, that have been settled but for which a dismissal entry has not been filed (“settled cases”).* Attached as Exhibit A is a list of those cases, and the Defendants who remain in them.

The Court hereby **DIRECTS** the parties in the settled cases to file, **no later than 4:00 p.m. Eastern Time on Friday, March 8, 2013**, (1) a dismissal entry, (2) a joint report stating succinctly the settlement status of those cases and why they have not yet been dismissed, or (3) a statement that the case has, in fact, been settled.¹

IT IS SO ORDERED.

¹The Court notes that the case, Cassandra Pettigrew v. General Elec. Co., et al, No. 1:08 gd 50359, is not on the list although it was recently settled because the Court is aware of the deadlines imposed by the parties in that case.
