INTERIM REPORT NO. 7Q WITH RESPECT TO APPROVAL OF ADDITIONAL NON-PSC CATEGORY II CLAIMS MICHAEL W. DOBBINS  
U.S. DISTRICT COURT

By Interim Reports Nos. 7 through 7P, Lead Class Counsel submitted 1,070 PSC and non-PSC Category II opt-in fee claims for approval. Fees for those claims were approved by Settlement Implementation Orders Nos. 7 through 7P.

By Pretrial Order No. 33(A), the Court established a deadline of December 1, 2001 for filing Claim Forms to Request Fees and Costs.

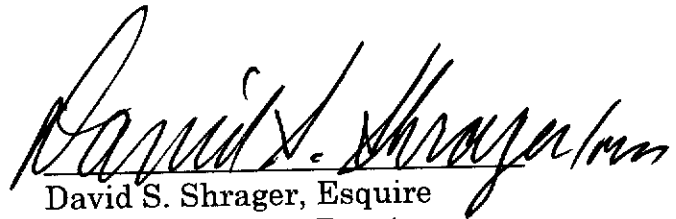

Since Settlement Implementation Orders Nos. 7 through 7P were entered, and before the December 1, 2001 deadline, Class Counsel have received additional Category II claims. In addition, the Court granted approval for an additional claim to be filed beyond the December 1, 2001 deadline. In cooperation with Defense Counsel, Class Counsel now submit this Interim Report 7Q concerning 12 additional non-Steering Committee Category II claims filed by 7 non-PSC attorneys.

Attached as Exhibit A to this motion is a proposed fee distribution schedule listing the proposed fee awards for each of the claims included in this submission. A detailed list of these claims, which includes the name of the injured person, has been filed under seal.

We respectfully submit this payment schedule for the Court's consideration.

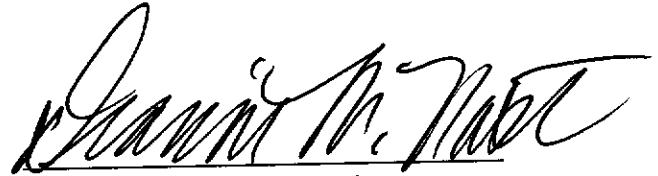

Dated: June 13, 2002

Dear Attorney:

We are writing to you at the direction of the Honorable John F. Grady concerning the Factor Concentrate Litigation, MDL 986. This letter concerns the cost and fee claim form(s) which you submitted for services on behalf of one or more class member claimant groups who have participated in the Factor Concentrate Settlement.

The cost and fee claim forms which you and other attorneys submitted have been considered. The Court has approved a schedule for payment of such fee claims based on a variety of factors, including the date when the representation began, the nature of the service rendered, and time expended and costs advanced. Costs were processed separately per Settlement Implementation Order No. 3, Settlement Implementation Order No. 3A, and Settlement Implementation Order No. 3B, Settlement Implementation Order No. 3C, Settlement Implementation Order No. 3D, Settlement Implementation Order No. 3E, Settlement Implementation Order No. 3F, Settlement Implementation Order No. 3G, Settlement Implementation Order No. 3H, Settlement Implementation Order No. 3I and Settlement Implementation Order No. 3J, and those that were not approved by those orders are still being processed. Services rendered include completing patient profile forms, client depositions, fact depositions, retention of experts, expert witness depositions, propounding and responding to written discovery, preparing legal papers, pretrial conferences and trial preparation.

We are enclosing a copy of Settlement Implementation Order No. 7Q concerning the payment schedule. Exhibit A to that order includes a listing of approved claim payments. We also enclose a listing of each currently approved cost and fee form which you submitted (identified by client name) and the amount(s) approved by the Court.

As authorized by Settlement Implementation Order No. 7Q, enclosed is a check in payment of the fee claim(s) which you submitted and as to which the underlying claimants' claim has been paid by Defendant Fractionators. Your acceptance of this check will be in full satisfaction of your fee claim(s). If, however, you object to the amount of this fee payment and decline to accept it, please return the check via certified mail to the above address and, as explained in the Court's Order, you may file a Motion for Additional Consideration With Respect to Cost and Fee Claim(s) with a copy to each the above addresses. As stated in Settlement Implementation Order No. 7Q, please state in the Motion the reason(s) for your request for further review and the evidence on which you will rely, include supporting documentation and any other information which you believe will be helpful to the Court in adjudicating the Motion. The Court has directed that all such motions must be filed within 30 days of the mailing date of the check. The Court will determine if a hearing will be held and will notify you of the time and date of the hearing.

Please note that if your check is an amount less than the total amount shown on the attached list, that is because all of your clients' claims have not yet cleared for payment. As soon as the underlying claimant group has been paid, your attorney fees as awarded by the Court in the enclosed Settlement Implementation Order will be paid.

Very truly yours,

David S. Shrager, Esquire
