LIABILITY LITIGATION)
) **JOINTLY SUBMITTED**
) **CASE MANAGEMENT ORDER**
) **NO. 1**

This Document Relates to All Cases Master Docket Case No. 1:11-cv-05468

Hon. Rebecca R. Pallmeyer

1. SCOPE OF THIS ORDER

1.1 The provisions of this Order shall govern the practice and procedure of those actions that are transferred to this Court by the Judicial Panel on Multidistrict Litigation pursuant to its Order of August 8, 2011. This Order shall also apply to any "tag-along actions" later filed in, removed to, or transferred to this Court.

1.2 Civil actions transferred to this Court are coordinated for pretrial purposes. This consideration, however, does not constitute a determination that any action or actions should be consolidated for trial, which may be made upon future request to the court; nor does it have the effect of making any entity a party to any action in which that party has not been named, served, or added in accordance with the Federal Rules of Civil Procedure.

1.3 Counsel are directed to familiarize themselves with the *Manual for Complex Litigation, Fourth* ("MCL 4th") (2004 ed.) and this Order.

1.4 The Court requests the assistance of the appointed leadership for the parties to make an effort in calling to the attention of the Clerk of this Court, the removal or transfer of any federal case which might be properly consolidated in MDL-2272, based upon the original transfer order of the JPML.

2. FILING INSTRUCTIONS

2.1 The Clerk of Court will maintain a master docket case file under the designation *In re Zimmer NexGen Knee Implant Products Liability Litigation*, with the identification “MDL 2272.” When a pleading is intended to be applicable to all actions, this shall be indicated by the words: “This Document Relates to All Cases.” When a pleading is intended to apply to a specific case, it shall be filed in that specific case and not on the master docket. In that instance, the individual docket numbers of those actions to which the paper relates, as assigned by the Clerk of this Court, must also be listed.

2.2 Any paper filed in any of these actions that is substantially identical to any other paper filed in another of these actions will be sufficient if it incorporates by reference the paper to which it is substantially identical. Where counsel for more than one party plan to file substantially identical papers, they must join in the submission of those papers and will file only one paper on behalf of all so joined.

2.3 The Court will issue a Notice to all Attorneys regarding electronic filing in MDL-2272. All filings should comply with the Northern District of Illinois ECF Administrative Procedures Manual and service through Electronic Case Filing shall be deemed sufficient with no additional service required, with the exception of new Complaints filed and Subpoenas issued, which shall be served in accordance with the Federal Rules of Civil Procedure.

2.4 When an action that properly belongs as a part of the *In re Zimmer NexGen Knee Implant Products Liability Litigation* is hereinafter filed in the Northern District of Illinois or is transferred from another court, the Clerk of Court shall make an appropriate entry on the master docket sheet.

3. ENTRY OF APPEARANCE

3.1 The Court expects all lawyers who have filed appearances in this case, or in any of the tag-along cases, to comply with this Court's Local Rules and to abide by the terms of the case management orders and protective orders. Counsel are so bound, whether or not they have filed (or will file) appearances in this Court. Any lawyer who will be active in this litigation and expects to be served with copies of court filings must file his/her appearance in this Court and must register as an e-filer for purposes of this case. In addition, the Court expects to establish a web site for posting of written opinions and for notice of any public hearings.

Moreover, *pro hac vice* requirements (and the payment of associated fees) are waived for any attorney who has filed an appearance in a transferor court. Attorneys admitted to practice and in good standing of any United States District Court are admitted *pro hac vice* to practice in MDL-2272. However, any lawyer who expects to participate in the proceedings in this Court is required to file an appearance for electronic notice purposes.

4. CASE FILING

4.1 The court will expect counsel to file tag-along cases in an appropriate venue and to provide prompt notice to this Court and the JPML of the propriety of transfer. "Tag along" cases will be transferred to this district according to the procedures established by the JPML.

7. COMPENSATION OF TIME AND EXPENSE RECORDS

7.1 Counsel who anticipate seeking an award of attorneys' fees and reimbursement of expenditures from the Court must comply with the directives contained in the Manual for Complex Litigation, 4th 14.213 and 40.23, regarding the maintenance and filing of contemporaneous records reflecting the services performed and the expenses incurred. Billing records should provide sufficient detail to enable the Court to determine the necessity and propriety of the work performed, when the time for such a determination comes. Such records will be maintained by Lead counsel. Lead Counsel, Liaison Counsel and the PSC are appointed with the understanding that they will not be compensated for services rendered in their court-appointed positions without applying to the Court for reimbursement of costs and compensation for time. However, if the efforts of counsel confer a substantial benefit on other counsel and their clients, the Court may, upon motion, consider reimbursing counsel for costs expended for the common benefit of plaintiffs and providing compensation to counsel on terms to be determined and which will be the subject of a future Order of this Court.
