CASE MANAGEMENT ORDER 66

Appointing Special Masters

HERNDON, Chief Judge:

The Court hereby **APPOINTS** John Perry and Randi Ellis as special masters for the purpose of mediating settlement. The parties are ordered to meet and confer with each other to discuss settlement, in good faith, as well as to confer with the special masters. Meetings with the special masters shall be at the discretion of the mediators, except that each month each party must meet jointly with the mediators and individually as directed by the mediators at least once. Additional meetings may then be directed at the discretion of the mediators, either in person or via video conference, telephone or other means.

The parties shall equally share in the expense of the special masters and shall pay promptly the invoices when received.

The Court previously ordered the parties to negotiate in good faith and that order is reiterated and emphasized with this order.
