Re: McNeill v. Sulzer

Dear Ms. McNeill:

This is a short followup letter to our prior correspondence to you of August 23, 2001. As we stated, part of the proposed settlement includes reimbursement (up to \$25,000.00 per claimant) of unreimbursed medical expenses. This would include co-pays on hospital, doctor, medical and prescription bills, non-covered related medical expenses, and insurance and/or medicare excluded medical expenses. Therefore, it is important that we have copies of any records which reflect these unreimbursed medical expenses.

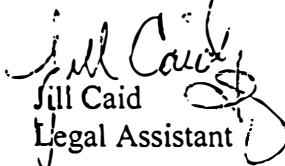

We ask that if you received EOB's (Explanation of Benefits) forms from your health insurance company and/or medicare, please send and continue to send copies of those forms to us. If you do not receive EOB's, send and continue to send copies of any receipts for unreimbursed medical expenses.

We do not know if or when this proposed resolution may take place, but want to have as much correct and updated information as possible when the time comes.

Please call the undersigned if you have any questions. I am usually in the office on Mondays, Tuesdays and Thursdays from 10:00 a.m. to 4:00 p.m.

Sincerely,

HEALY & STUDWELL LAW FIRM, P.C.
