In re: MIRAPEX PRODUCTS LIABILITY
LITIGATION

MDL No. 07-1836 (JMR/FLN)

This Document Relates to “All Actions”

Pre-Trial Order No. 1.

The Order documents several agreements and decisions reached as a result of the case management conference held on August 14, 2007, in the above captioned cases.

The Judicial Panel on Multidistrict Litigation has transferred actions in the above-captioned matter to this Court for coordinated and consolidated pretrial proceedings pursuant to 28 U.S.C. § 1407 as part of a nationwide litigation involving alleged adverse side effects of the drug Mirapex. Pursuant to this Court’s jurisdiction over these actions, this Court hereby enters the following Order:

1. Consolidated Proceedings. Any other actions filed, whether filed directly in the United States District Court for the District of Minnesota or in any other United States District Court (whether by original filing or removal), that are related to this litigation are hereby consolidated into one action (the “Consolidated Action”) for all pre-trial purposes, pursuant to Rule 42 of the Federal Rules of Civil Procedure and MDL Order dated June 22, 2007, under 28 U.S.C.

§1407(a). All documents filed in this consolidated proceeding subsequent to this Order should be filed under the instant MDL number.

2. Applicability of This Order. This Order applies automatically to all actions listed in the Judicial Panel on Multidistrict Litigation’s June 22, 2007 Transfer Order, as well as any other actions subsequently transferred to, removed to, or initiated in this Court, without the necessity of future motions or orders.

3. Motions Pending When Case is Transferred to This MDL. Any motion that was pending before transfer to this MDL is now not pending. If a party wishes for a motion that was pending to be heard, that party must re-file the motion and notice it for hearing in this MDL.

4. Caption of Case. All Orders, pleadings, motions, and other documents served or filed in this Consolidated Action shall have the following caption:

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA

In re: MIRAPEX PRODUCTS LIABILITY
LITIGATION

MDL No. 07-1836 (JMR/FLN)

This Document Relates to [“All Actions” or specify by title and case number the individual applicable cases if the document relates to less than all of the consolidated cases.]

5. Appointment of Lead and Liaison Counsel for Plaintiffs. Tara D. Sutton and Robins, Kaplan, Miller & Ciresi LLP are designated as lead counsel, liaison counsel for the MDL, as well as trial counsel in cases where they are retained as attorneys of record. As Lead Counsel,

they shall be responsible for coordinating the activities of Plaintiffs during pretrial proceedings and shall:

- a. Determine and present (in briefs, oral argument, or such other fashion as may be appropriate, personally or by a designee) to the Court and opposing parties the position of the plaintiffs on all matters arising during pretrial proceedings;
- b. Coordinate the initiation and conduct of discovery on behalf of plaintiffs consistent with the requirements of the Federal Rules of Civil Procedure relating to discovery or any other subsequent order of this Court;
- c. Conduct settlement negotiations on behalf of plaintiffs, but not enter binding agreements except to the extent expressly authorized;
- d. Where appropriate, delegate specific tasks to other counsel in a manner to ensure that pretrial preparation for the plaintiffs is conducted effectively, efficiently, and economically;
- e. Enter into stipulations, with opposing counsel, necessary for the conduct of the litigation;
- f. Prepare and distribute to the parties periodic status reports;
- g. Maintain adequate time and disbursement records covering services as lead counsel;
- h. Monitor activities of co-counsel to ensure that schedules are met and unnecessary expenditures of time and funds are avoided; and
- i. Perform such other duties as may be incidental to proper coordination of plaintiffs' pretrial activities or authorized by further Order of the Court.

Counsel for plaintiffs who disagree with Lead Counsel (or those acting on behalf of lead counsel) or who have individual or divergent positions may present written and oral arguments, and otherwise act separately on behalf of their client(s) as appropriate, provided that in doing so they do not repeat arguments, questions, or actions of the Lead Counsel.

As liaison counsel, Tara D. Sutton and Robins, Kaplan Miller & Ciresi will:

- j. Maintain and distribute to co-counsel and to Defendants' Liaison Counsel an up-to-date service list; and
- k. Receive and, as appropriate, distribute to co-counsel Orders from the Court and documents from opposing parties and counsel.

Philip Pfaffly and Chestnut & Cambronne, and Arthur Sherman and Sherman & Salkow, P.C. are hereby designated as co-trial counsel. Their duties include participating in the pre-trial proceedings and assisting with trial of these matters, including acting as lead trial counsel in cases where they are retained as attorneys of record.

Given that Robins, Kaplan Miller & Ciresi has been principally involved in Plaintiffs' prosecution of these cases, and that Robins, Kaplan, Miller & Ciresi LLP, Chestnut & Cambronne, and Sherman & Salkow, represent nearly all of the Mirapex plaintiffs that have filed cases in federal court, the Court does not at this time see a need for a Steering Committee or separate committees or other additional organization of the Plaintiffs' efforts.

6. Lead and Liaison Counsel for Defendant Pfizer, et al. Lead Counsel for Defendant Pfizer is Michael K. Brown, Reed Smith, 355 South Grand Avenue, Los Angeles, CA 90071. Liaison Counsel for Defendant Pfizer, et al., is Joseph M. Price and Peter J. Goss, Faegre & Benson, 2200 Wells Fargo Center, 90 South Seventh Street, Minneapolis, MN 55402.

7. Lead and Liaison Counsel for Defendant Boehringer Ingelheim Pharmaceuticals, Inc. Lead Counsel for Defendant Boehringer Ingelheim Pharmaceuticals, Inc. is James E. Gray, Venable LLP, Two Hopkins Place, Suite 1800, Baltimore, MD 21201. Liaison Counsel for Defendant Boehringer Ingelheim Pharmaceuticals, Inc. is Scott A. Smith and Tracy J. Van Steenburgh, Halleland Lewis Nilan & Johnson, 600 U.S. Bank Plaza, 220 South Sixth Street, Minneapolis, MN 55402.

8. Admission of Counsel. Attorneys admitted to practice and in good standing in any United States District Court are admitted as MDL attorneys in this litigation. Association of local co-counsel is not required. All counsel are expected to familiarize themselves with the Local Rules of this Court, the American Bar Association's Civil Discovery Standards, as well as *Manual for Complex Litigation 4th* (Federal Judicial Center 2004), which the Court and parties may be called upon to refer to as a resource in the case management of this litigation. It is necessary to obtain a login and password to file electronically. Instructions regarding electronic filing and how to obtain a login and password in the District of Minnesota will be available on the District Court website at www.mnd.uscourts.gov.

9. List of Related Cases. Lead Counsels shall examine Attachment B to this Order and determine if this is a complete listing of related cases pending before this Court. Lead Counsels should also apprise the Court of related cases pending in any other state or federal court. Lead Counsels shall report this information to the Court within 30 days of this Order.

10. Scheduling Orders. The Court has previously issued Pre-trial Scheduling orders in three groups of approximately fifteen cases per group. (06-cv-873, #25; 06-cv-2546, # 56; 06-cv-3778, #21). The three Pre-trial Scheduling Orders have the first group scheduled to be ready for trial in March 2008, the second group scheduled to be ready for trial in July 2008 and the third group scheduled to be ready for trial in January 2009. The Amended Pretrial Schedule for the first group of cases [06-cv-873, #25] sets forth limitations for discovery that have been adopted in the subsequent scheduling orders. The Scheduling Orders for the first group, as clarified by the September 7, 2006 Order, remain in effect. Any other scheduling orders, including those entered in cases that were subsequently transferred to this Court pursuant to the June 22, 2007

Order by the Judicial Panel on Multidistrict Litigation, are hereby vacated. The Group 2 and Group 3 cases, are to be returned to the “pool” of cases in MDL 1836 and will be the subject to the procedures set forth in ¶ 11 and such further proceedings and orders as the Court may direct.

11. Discovery in non-Group 1 Cases. For cases not part of Group 1, the parties shall exchange “Fact Sheets.” The parties shall meet and confer to develop fact sheets for this litigation. On or before August 31, 2007, the parties shall submit the agreed upon fact sheets and a schedule for the exchange of fact sheets. If the parties are unable to agree upon a fact sheet and a schedule for the exchange of facts sheets, each party shall submit their proposed fact sheet and schedule by August 31,2007. The Court intends to adopt one of the proposals in its entirety.

12. Selection of Cases for Trial. To allow for the parties to evaluate their various settlement positions, the Court will begin by trying three representative cases (hereinafter “bellwether cases”). The bellwether cases will be selected as follows:

- a. Upon the completion of expert discovery, Plaintiffs’ counsel of record in those cases and Defendants will each select one of the existing 15 Group 1 cases for bellwether trials.
- b. From the remaining 13 Group 1 cases, Plaintiffs’ counsel of record in those cases and Defendants would alternately strike cases until a single case remains, which would constitute the third bellwether case for trial purposes.
- c. The parties would attempt to reach an agreement as to the sequence in which the three selected bellwether trials would occur. If the parties cannot agree on a sequence, the parties would refer the matter to the Court, and the Court would then by random selection determine the sequence of the three bellwether trials.

Plaintiffs’ discovery of Defendants in the Group 1 cases, as permitted by the Court’s current Amended Scheduling Order relating to Group 1 discovery, is extended to November 1, 2007.

13. Master File. The Clerk will maintain a Master Case File, MDL No. 07-1836 (JMR/FLN). The Master Case File is set up with the following parties: Plaintiffs' Lead Counsel, Plaintiffs' Liaison Counsel, and individual defendants. These parties will appear in MDL No. 07-1836 (JMR/FLN) as Lead Parties. Plaintiffs from the other individual cases will be added to MDL No. 07-1836 (JMR/FLN) as Notice-Only parties.

14. Separate Dockets and Files. The Clerk will maintain a separate docket for each case initiated, removed, or transferred to this Court. Each such case will be assigned a separate case number in this Court.

15. Notice of Appearance. All parties shall file a Notice of Appearance in the MDL No. 07-1836 (JMR/FLN) only. The Notice of Appearance shall specifically list the individual case to which it applies. The parties must also obtain a CM/ECF login and password. See Attachment A.

16. Filing. All orders, pleadings, motions, and other documents that are normally filed in a civil action as required by Federal Rule of Civil Procedure 5 and that relate to an individual case shall be filed in both MDL No. 07-1836 (JMR/FLN) and the individual case. Those documents shall indicate in their caption the case number of the individual case to which they apply. Documents relating to "ALL ACTIONS" shall be filed only in MDL No. 07-1836 (JMR/FLN).

17. Electronic Filing. All documents filed by the parties in this MDL—with the exception of "initiating documents"—shall be filed electronically and in compliance with the District of Minnesota's Local Rules and Electronic Case Filing Procedures, as revised on December 13, 2006. "Initiating documents" (e.g., original complaints, notices of removal), together with a civil cover sheet, and the filing fee, shall be submitted to the United States District Court for the

District of Minnesota Clerk’s Office for filing. The Clerk’s office accepts initiating documents delivered to it in person or by e-mail and U.S. Mail. A copy of the Court’s electronic filing procedures is available at www.mnd.uscourts.gov. Initiating documents shall not be sent directly to the Chambers of Judge James M. Rosenbaum or Magistrate Judge Franklin L. Noel.

18. Motion Filing. Any motion or other request for a ruling from the Court must be filed electronically as a motion on CM/ECF. Any opposition to a motion or any reply to a motion must be electronically linked to a motion on CM/ECF. In addition, the caption of any such document shall include a reference to the motion’s exact title and/or docket number and, as required by paragraph 5 above, be filed in both MDL No. 07-1836 (JMR/FLN) and the individual case, unless the motion applies to “ALL ACTIONS.” The parties shall comply with the requirements of Rule 7.1 of the Local Rules for the District of Minnesota when filing both dispositive and non-dispositive motions. Absent a Court order, only those documents described in Local Rule 7.1 will be allowed to be filed with respect to a particular motion.

19. Stipulations. Any stipulation by the parties must be filed on CM/ECF.

20. Courtesy Copies. **One** courtesy copy of any document related to a dispositive motion shall be delivered to the Chambers of Chief Judge James M. Rosenbaum (via U.S. Mail at 300 South Fourth Street, Suite 202, Minneapolis, Minnesota, 55415 or via hand-delivery to Second Floor Clerk's Office). **One** courtesy copy of any document related to a non-dispositive motion shall be delivered to the Chambers of Magistrate Judge Franklin L. Noel (via U.S. Mail at 300 South Fourth Street, Suite 202, Minneapolis, Minnesota, 55415 or via hand-delivery to Second Floor Clerk's Office). The courtesy copies must contain a reference to the docket number of each particular document and be prepared in a manner that is easy to use.

21. Proposed Orders. Proposed orders shall be emailed to rosenbaum_chambers@mnd.uscourts.gov or noel_chambers@mnd.uscourts.gov. All proposed orders shall be unsigned and must not be filed as any attachment or separate document on CM/ECF. The subject line on the e-mail message will contain an explicit reference to the Mirapex MDL and to the motion or other matter to which the proposed order pertains.

22. Chambers' E-mail. Other than proposed orders and agendas, Statements of Issues, and any other document specifically requested by the Court, no other documents shall be e-mailed to the chambers' e-mail address.

24. Rules of Civil Procedure. All actions in this MDL shall be governed by the Federal Rules of Civil Procedure; the Local Rules for the District of Minnesota, including Local Rules 72.1 ("Magistrate Judge Duties") and 72.2 ("Review of Magistrate Judge Rulings"); and the Electronic Case Filing Procedures for the District of Minnesota. The parties are expected to be familiar with the Local Rules for the District of Minnesota and the Electronic Case Filing Procedures for the District of Minnesota.

25. Briefing Schedules. Unless the Court approves other briefing schedules, the briefing schedule for all motions filed must be made pursuant to the Federal Rules of Civil Procedure and the Local Rules for the District of Minnesota.

26. Service of Documents. Service of documents in this MDL is made pursuant to Federal Rule of Civil Procedure 5.

27. Official Court Website. The Court has created and will maintain a web page devoted to the Mirapex Products Liability Litigation, which can be found at www.mnd.uscourts.gov. Through this website, parties may access the Orders, minutes, the calendar, transcripts, forms

used in this MDL, contact information for the Court's staff, Plaintiffs' Lead Counsel Committee and Liaison Counsel, Defendants' Lead and Liaison Counsels, frequently asked questions, and agendas and reports. Plaintiffs' Lead Counsel Committee and Liaison Counsel and Defendants' Lead and Liaison Counsels shall confer with the Court regarding the content of the website.

28. Official Transcripts. The Official Transcript of all hearing shall be posted on the Mirapex Litigation website. The cost of the expedited Official Transcript shall be borne by the Plaintiffs and Defendants equally. Payment is to be made within fourteen (14) days of receipt of the Court Reporter's invoice.

29. Waiver of Privilege. No communications among Plaintiffs' Counsel or among Defendants' Counsel shall be taken as a waiver of any privilege or protection to which they would otherwise be entitled.

30. Protective Order. A separate order concerning protective order language shall be entered by this Court. The parties are hereby ordered to meet and confer for purposes of reaching an agreement on the language to be included in such order. On or before September 7, 2007, the parties shall submit a stipulated protective order. If the parties are unable to agree, they shall submit their respective proposals. If the parties submit proposals, it is the Court's intention to adopt one proposal in its entirety.

31. Transfer of Documents. The parties shall meet and confer to determine whether and what docket entries should be transferred from the Selinsky, 06-873(JMR/FLN), to the MDL File. The parties shall propose which docket entries should be transferred by September 7, 2007.

32. Status Conferences. Upon the request of a party, the Court will convene status conferences in its discretion. Counsel for each side shall meet and confer in advance of each

status conference and submit to the Court a joint agenda and status conference report listing matters to be considered by the Court at the status conference.

MEMORANDUM re CM/ECF FILING IN MIRAPEX MDL 1836

TO ALL COUNSEL in MIRAPEX MATTERS

CM/ECF stands for Case Management, Electronic Case Files

Before attempting electronic filing in these matters, please take time to read the U.S. District Court, District of Minnesota's Electronic Case Filing Civil ECF User's Manual and Civil ECF Procedures Guide posted on the U.S. District Court of Minnesota's website (<http://www.mnd.uscourts.gov/>). Once the website is accessed (<http://www.mnd.uscourts.gov/>), click on "**Electronic Case Filing**" on the left-hand side of the home page. Please review the User's Manual and Procedures Guide before filing a document. Please feel free to call the ECF helpdesk if you have questions (612-664-5155). Please make certain that the attorney filing the document(s) has seen and approved of the document(s) before undertaking filing as you are using the attorney's bar number, login and password to file.

➤ **Obtaining an ECF Login Name and Password**

The Court's main website contains information on how to register for an ECF login and password. After accessing the website, click on "Registration form for e-filing-MDL attorneys" located in the Forms link on the left-hand side. To access the court's live ECF website, select Live ECF Link on the left-hand side of the Court's home page. Adding a second (or third) e-mail address may be done at the time of registration by listing the additional e-mail address(es) on the "additional e-mail" line on the original registration form. Under "Electronic Case Filing," there are directions as to how to add a secondary e-mail address if you are already registered.

- A separate PACER (Public Access to Court Electronic Records) login and password is necessary. It is likely that you, or your firm, already has a PACER account. If not, a PACER account can be established by contacting:

PACER SERVICE CENTER
P.O. Box 780549
San Antonio, TX 78278
(800) 676-6856
<http://pacer.psc.uscourts.gov/>

- **IMPORTANT NOTE:** The court's ECF system gets bogged down with the many documents being uploaded, especially on Friday afternoons. It is suggested that you begin early (if you have many attachments you may want to begin by **11:30 a.m., Central Time**. If it is a simple filing without attachments, you can begin as late as 2:00 p.m., CT). If there are problems encountered, beginning early will help ensure that your filing will be timely. If you have technical problems, please contact the Court's Help Desk.*

- Please refer to Pretrial Orders No. 1 filed in MDL 1836 for electronic filing questions. In Paragraph 13, Master Docket, the Master Docket is set up with the following parties: Plaintiffs' Lead Counsel, Plaintiffs' Liaison Counsel, Defendants' Lead Counsel and Defendants' Liaison Counsel. These parties will appear on the docket report. Defendants and plaintiffs from the other cases will be added as MDL-Notice Only party types. All parties can be queried by selecting the Party when using CM/ECF Query. When filing documents in the Master Docket, select the appropriate party. If the filer is a member of the Plaintiffs' Liaison Counsel, select Plaintiffs' Liaison Counsel, for example. If the filer is a plaintiff in one of the individual cases, select the appropriate party, but note that the party type in the Master Docket case will be MDL-Notice Only. In addition, all parties must file a Notice of Appearance in the Master Docket after their initial filing in an individual case. When filing documents relating to a particular case or cases, the documents shall be filed on the ECF system under both the Master Docket and the particular case(s).
- All documents filed in the USDC's CM/ECF must be in "PDF" format (.pdf). The most widely used program that can convert from Word and/or Word Perfect to .pdf, is Acrobat. If you do not know how to change a document from Word to .pdf and move it to your export file, ask your Help Desk for assistance or our website for assistance.
- Each filing/upload of documents **cannot** be larger than **2MB**. If a document or attachments exceed 2MB, divide it/them into appropriate amounts and use page numbers for each section and file as separate attachments. (E.g.: File Attachment A, part 1 of 3, pp. 1 – 50; then file as separate attachment, Attachment A, part 2 of 3, pp. 51- 100; and also file as separate attachment, Attachment A, part 3 of 3, pp. 101 – 149.) When you create your Word/WP document in preparation to file it and/or when you convert it to a .pdf, your computer can show the size of the document/PDF.
- After e-filing your document(s), if appropriate, e-mail the judge the proposed order(s) only. **Proposed orders must be converted to WordPerfect ("WP") or Word format prior to sending them to the judge.** DO NOT send other papers to the judge's e-mail address. Reference the case or cases in the subject line and body of the e-mail if it is only a few cases. If the proposed order refers to all cases, state so. If the filing relates to many, but not all cases, put a list of cases to which the proposed order applies in the text of the e-mail and the moving party(ies)'s name(s) for reference. The email address is rosenbaum_chambers@mnd.uscourts.gov.
- After you complete your filing and obtain your proof of filing page, please make certain you **logout** of the ECF system.
- Note: Do not be alarmed if you see "CASE CLOSED" on an e-mail docket distribution from the court. It is only an internal matter for the court and does not affect the current docket in that case.

*If you encounter problems, please call **Court's Help Desk line 1-866-325-4975**. If you reach a voice mailbox, leave a clear message including your name and telephone number. If you cannot complete your filing electronically, please see section L. Technical Failure in the Civil ECF Procedures Guide.

If you inadvertently file a document in the *wrong case*, please refer to Section L. Correcting Docket Entries on page 20 of the Court's Civil ECF Procedures manual. However, if your *document* is wrong but filed in the correct case, you will have to file an amended version of your document.

New complaints, summonses & civil cover sheets cannot be filed and served using CM/ECF at this time, but they can be e-mailed to the clerk for processing and posting to CM/ECF. The email address for new cases is newcases@mnd.uscourts.gov.

If a filer does not know whether another party is a registered ECF user, they can go onto CM/ECF, select "Utilities," then "Mailing Information for a Case" and enter the case number and the information will appear.

Filing deadline shall be 11:59 p.m. Central Time. If your document goes through after Midnight p.m., it will be considered filed on the following day.
