**AMENDED
ORDER OF
SEALING**

13-MD-2434 (CS)

Seibel, J.

Upon the application of Diogenes P. Kekatos, Plaintiffs' Liaison Counsel, by letter filed on October 21, 2015, (Doc. 2673), requesting permission to file under seal, it is hereby

ORDERED, that declarations and memoranda of law in support of Plaintiffs' forthcoming motions, under Rule 702 of the Federal Rules of Evidence and *Daubert v. Merrell Dow Pharm., Inc.*, 509 U.S. 579 (1993), to exclude the opinions of Drs. Michelle Collins, Vanessa Dalton, David W. Feigal, Jay Goldberg, Steven Goldstein, Geri D. Hewitt, Dena R. Hixon, Marcia C. Javitt, Michael Policar, and Maureen T.F. Reitman, may be filed in redacted form to the extent they include or discuss material designated as confidential (with unredacted hard copies provided to chambers). If such material so dominates the filing that redaction is impractical, the papers may be filed under seal and shall remain under seal until further order of this Court.

Defendants will also follow the protocol described above with respect to any Rule 702 F.R.E. and *Daubert* motions they may file to exclude the opinions of various Plaintiffs' designated experts. The Clerk of Court is respectfully requested to terminate the pending motion at 13-MD-2434, Doc. 2673.
