JUDGE MATTHEW F. KENNELLY
UNITED STATES DISTRICT COURT

Sub: Multidistrict Litigation (MDL # 2223)

As a named member of the settlement class I want to file an objection to the Settlement, Class Counsel request for the exorbitant attorney's fees and expenses and the request for the Named Plaintiff's service award by using my name in this lawsuit. I have given no one the right to file a class action against Ford or anyone else in my name. I object to being named as a member of this class action without being asked! This is wrong. Secondly, there is nothing wrong with the 6.0 diesel except people do not maintain the engine per the manufacturer's schedule. I have had my truck almost 10 years and it runs just fine.

I will not be attending the hearing. Please remove my name, my vehicle and any reference of such from this class action settlement.

Additionally, please serve this notice upon Michael A. Caddell of Caddell & Chapman, 1331 Lamar, Suite 1070, Houston, TX 77010-3027 and Brian C. Anderson of O'Melveny & Myers LLP, 1625 Eye Street, N.W., Washington, D.C. 20006.
