THOMAS G. BRUTON  
CLERK, U.S. DISTRICT COURT

I wish to formally object to this settlement. It is my understanding I could receive approximately \$200.00 for deductibles. Also, if the vehicle had a problem between 100,000 – 135,000 miles or four years, I could seek qualified reimbursement since my vehicle has 168,592 miles and is in need of new injectors. Right now 4-19-13, I get nothing. It is a known fact that a Ford with a 6.0 liter diesel engine has a low resale value which this does not address at all. It also seems to me I could qualify to receive a small token payment while the attorney's receive \$14 million dollars. I also object to the attorneys' fees. I do not intend on appearing at the Fairness Hearing.

Sincerely,

Louis Wellington Graham III
