AFFIDAVIT OF ALEJANDRO ALVAREZ, ESQ.

1. I, Alejandro Alvarez, am an attorney at the law firm of The Alvarez Law Firm. I served on the Plaintiffs Steering Committee in the MDL-1842 in re Kugel Mesh Hernia Patch Products Liability Litigation.
2. Pursuant to this court's Practice and Procedure Order No. 22, my firm submitted time for its work toward the common benefit in this litigation.
3. I have had the opportunity to review the hours that my firm submitted pursuant to this court's order, and I have had the opportunity to discuss at length the economics of the common benefit assessment for attorneys' fees both to date and as anticipated in the future. Upon consultation with plaintiff's co-lead counsel, I have agreed to accept as full and final payment of any interest my firm has in the common benefit fees in MDL-1842, the amount expressly stated in the attached proposed form of order. It is my understanding that this court will enter the attached proposed form of order upon receipt of this affidavit and those of the other counsel seeking common benefit fees.
4. I have reviewed the pleadings filed with this federal court in support of this petition and again expressly assent to the proposed plan of distribution as presented to this court.
5. I am making this affidavit without waiving any rights to adjudicate any claims for fees that I have asserted in the Superior Court of Rhode Island.
