Copies of the Summary Email Notice, Notice and Claim Form are attached hereto as Exhibits A, B, and C, respectively.
- 4. On March 5, 2012, KCC received from the Defendant a computerized list of 18,134,168 names and email addresses, which represented all United States residents who had registered their iPhone 4 units with the Defendant and provided an email address.

KCC also identified and withheld 4,039 email addresses belonging to Apple employees, as identified by email addresses with an Apple domain (@apple.com). The email list was finalized with 15,714,279 email address records.
- 6. On or before March 28, 2012, I caused an Interactive Voice Response (the "IVR") system to be established (877-417-7234) to provide information about the settlement and to record requests for Notice Packets.
- 7. On or before March 28, 2012, I caused a website to be established (http://www.iphone4settlement.com/) to provide information about the settlement, to allow Class Members the ability to upload images of their Claim Forms on-line, and to allow Class Members to download copies of the Notice.
- 8. Starting on March 28, 2012 and ending on April 10, 2012, I caused the Summary Email Notice to be emailed to each of the 15,714,279 class members with email addresses.
