To Whom It May Concern,

I object to the settlement in re Apple iPhone 4 Products Liability Litigation, Case No. 5:10-md-021888-RMW. I do not agree with the current settlement. I object for said reasons, I have had a lot of problems with the iPhone 4 that went unsolved. I had to go back to the store several times which resulted from time off from work and travel. Now they want me to settle for a \$15.00 payment. iPhone serial no. 870288R8A4S. Charles L. Farnum. 414 Rue Des Tours, Mary Esther, FL 32569-2342, (850) 218-6092
