**SUPPLEMENTAL DECLARATION OF ALLEN FELAHY FILED ON BEHALF OF FELAHY LAW GROUP, COUNSEL OF RECORD FOR PLAINTIFF SAM BALOOCH, IN SUPPORT OF AN AWARD OF ATTORNEYS' FEES AND EXPENSES**

1 I, Allen Felahy, declare as follows:

2 1. I am a member and Managing Partner of the firm of Felahy Law Group, APC  
3 ("Felahy Law Group"). I am submitting this supplemental declaration in support of my firm's  
4 application for an award of attorneys' fees and expenses in connection with services rendered in  
5 the above-entitled action, pursuant to the Court's order of August 10, 2012.

6 2. The firm is counsel of record for plaintiff Sam Balooch. Our firm was not  
7 appointed lead counsel in this consolidated MDL. I have not ever been paid or reimbursed any  
8 fees or expenses in this case as of the filing of this document.

9 3. Since its inception in 1998, Felahy Law Group (formerly Felahy and Associates)  
10 has aggressively litigated more than 1,000 cases in Southern California, and its employment and  
11 business litigation attorneys pride themselves in standing at the top of their profession in terms of  
12 skills, integrity, and rate of success, with an average trial/arbitration award in excess of  
13 \$250,000. The identification and background of my firm and its partners is as follows:

14 a. I am the founding partner of Felahy Law Group and I am admitted to  
15 practice before all of the Courts of this State. I am highly experienced in civil litigation  
16 and class actions practice. I have been practicing law since 1998 and have successfully  
17 litigated numerous Federal and State law actions through trial. Indeed, my success as a  
18 trial lawyer have been well documented in the Daily Journal, Los Angeles Times, Long  
19 Beach Press Telegram, and other regional newspapers; as I have obtained substantial and  
20 significant judgments/orders for my clients, several of which have exceeded the million  
21 dollar threshold. Many of the aforementioned actions were multiparty or class action  
22 wage and hour matters. Due to my expertise, I was invited to be a contributing editor to  
23 the (2009-2010) CEB California Wage and Hour Compliance and Litigation Manual. I  
24 accepted the invitation and edited a portion of that CEB guide. I have also successfully  
25 certified numerous class action cases and have been found by state and federal judges  
26 alike to be *"qualified, experienced and generally able to conduct the proposed*  
27 *litigation."*

1           b.       Oscar Ramirez is a partner of Felahy Law Group who is admitted to  
2       practice before all of the Courts of this State. Mr. Ramirez is highly experienced in civil  
3       litigation and class actions practice. Mr. Ramirez has been practicing law since 2005 and  
4       has successfully litigated numerous Federal and State law actions through trial. Mr.  
5       Ramirez is also a certified mediator. He serves as a volunteer mediator for the Los  
6       Angeles Superior Court's Alternative Dispute Resolution (ADR) program.

7           c.       Mr. Joseph T. Snizek, Esq., who is of counsel for Felahy Law Group, has  
8       13 years of experience as an employment law attorney and has a proven track record of  
9       success in complex multi-party employment law matters. Mr. Snizek is admitted to  
10      practice before all of the Courts of this State.

11          d.       Mr. Boris Sorsher, has five years of litigation experience and has recently  
12      been promoted to a junior partner. Mr. Sorsher has successfully litigated Federal and  
13      State law actions through trial. Mr. Sorsher is admitted to practice before all of the Courts  
14      of this State.

15          4.       The following information regarding the firm's time and expenses is taken from  
16      time and expense printouts prepared and maintained by my firm in the ordinary course of  
17      business. I am the attorney who oversaw and/or conducted the day-to-day activities in the  
18      litigation and who reviewed these printouts (and backup documentation where necessary or  
19      appropriate). The purpose of these reviews was to confirm both the accuracy of the entries on  
20      the printouts as well as the necessity for and reasonableness of the time and expenses committed  
21      to the litigation. As a result of these reviews, reductions were made to both time and expenses  
22      either in the exercise of billing judgment or to conform to the firm's guidelines and policies  
23      regarding certain expenses such as charges for hotels, meals, and transportation. As a result of  
24      these reviews and adjustments, I believe that the time reflected in the firm's lodestar calculation  
25      and the expenses for which payment is sought are reasonable in amount and were necessary for  
26      the effective and efficient prosecution and resolution of the litigation.

5. The total number of hours spent on this litigation by my firm is 150.50. The total lodestar amount for attorney/paraprofessional time based on the firm's current rates is \$59,647.50. The hourly rates shown below are the usual and customary rates charged for each individual. A breakdown of the lodestar is as follows:

<i>NAME</i>		<i>HOURS</i>	<i>RATE</i>	<i>LODESTAR</i>
Allen B. Felahy	(P)	56.70	495	\$28,066.50
Oscar Ramirez	(P)	37.50	395.00	\$14,812.50
Boris Sorsher	(A)	53.10	295.00	\$15,664.50
Joseph T. Snizek	(OC)	3.20	345.00	\$1,104.00
<b><i>TOTAL</i></b>				<b><i>\$59,647.50</i></b>

6. In light of the Court's September 13, 2012, order I have attached hereto a true and correct itemized bill for all services provided by my firm in this case. Pursuant to the Court's order this billing statement identifies both what services were performed and when those services were provided. A true and correct copy of the billing statement is attached hereto as Exhibit 1.

7. As the Court will note, the attached billing statement demonstrates that a majority of the fees and costs incurred were incurred before the appointment of lead counsel. However, a certain amount of additional fees were incurred even after the appointment of class counsel because my firm and I remained active in the litigation. Specifically, my firm and I continued to monitor and review discovery requests propounded by the parties. We also reviewed and commented on several sets of stipulations, proposed orders and proposed settlements. These tasks resulted in additional fees which are reflected in the attached billing statement.

8. In addition to fees, my firm seeks an award of \$1,589.30 in expenses which were reasonably and necessarily committed to the prosecution of the litigation. They are broken down as follows:

***EXPENSES***

From Inception to May 21, 2012

<b><i>EXPENSE CATEGORY</i></b>	<b><i>TOTAL</i></b>
Photocopies (in-house: 2170 copies @ \$0.25 per page)	\$542.50
Postage & Delivery	\$141.80
Filing, Witness & Other Fees	\$905.00
<b><i>TOTAL</i></b>	<b><i>\$1,589.30</i></b>

9. The following is additional information regarding certain expenses:

(a) Filing, Witness and Other Fees: \$905.00

<b><i>DATE</i></b>	<b><i>VENDOR</i></b>
6/29/2010	One Legal LLC (complaint filing fee) Amount : \$905

10. The expenses pertaining to this case are reflected in the books and records of this firm. These books and records are prepared from expense vouchers, check records and other documents and are an accurate record of the expenses. In addition, all of the aforementioned costs are included in the billing statement, a true and correct copy of which is attached hereto as Exhibit 1.

11. I submit that the time and expense submission included in this Declaration were incurred in this litigation. I request that the Court award my firm \$59,647.50 in attorneys' fees and \$1,589.30 in expenses reimbursement, for a total of \$61,236.80.

I declare under penalty of perjury under the laws of the United States of America and the State of California that the foregoing is true and correct. Executed this 19th day of September, 2012, at Long Beach, CA.
